

SOLSTICE STR

Style & Performance

With the Solstice pool models, your backyard is turned into an outdoor living space that can be enjoyed all summer long. The beauty, strength and design are what make these pools stand out from the rest.

The use of subtle curves and smooth lines will compliment any backyard. Each day by the pool can be whatever you want it to be...quality time with the kids, or a relaxing afternoon in the sun. The choice is yours to make.

WATER SAFETY

Your above ground pool has been designed to provide you with years of safe family fun. This entails that water safety must always be taken into account. When used incorrectly, your above ground swimming pool can be dangerous; above ground pools are shallow, and this makes diving and jumping unsafe. To ensure your above ground pool is used safely you must observe the safety precautions that are provided to you when you purchase an above ground pool and conform to all local regulations.
